THE TIMES.

A. H. CLEMENT EDITOR.

WEDNESDAY, AUG. 22, 1906.

Our schools will soon fling wide open their doors to the great throng of eager students. The choice of a school is next in importance to that of wife or husband. A mistake made is hard to correct. When the choice has been made see to it that the boy or girl begins with the beginning of the session and that nothing diverts them from start to finish. Just what kind of a school awaits the school children of this community no one knows, not even Supt. Hannah, who is casting his net about for a suitable man, can tell. The fact is the school should have had a capable man signed up at three months ago. What will the people do about it? Pay your money and take anything you can get in exchange?

"A flurry in Wall Street" and one man wins a million and another or as many others lose a like sum, whereupon the financial circles of the nation become excited. Why? The people are nothing the poorer because one gambler has won and another gambler has lost, and should go on with the legitimate business of he country as though nothing had happened of any public moment. Let Wall Street perish and the country survives.

The good-roads movement in Henrico has been stranded by a millionaire and so millionaires the country over are impeding every project having in it any good for the general public. National aid for public roads would give no room for schemes or graft and therefore no such measure is c.n verted into law. When will our people do their own thinking and voting?

Speaker Cannon and other Republican speakers point with pride to the record of their party, ignoring the fact that it was guilty of the greatest crime which stains and spots the age in which it has lived and flourished. That one unrepented of sin is enough to make and keep it in unquestioned disrepute.

"Uncle Joe's" canvass was formally opened at Danville, Ill. one day last week, when the old man was nominated by acclamation for the 15th time for Congress. Unfortunate for our Uncle other states than his own, which so delights to honor him, will have a "finger in the pie" this time.

What's wrong with wheat? The bottom seems to have dropped out of the price, and yet we don't hear that flower has fallen in due proportion. The trouble is that wheat can't be made into bread. The cost of living climbs higher in spite of 65-cent wheat.

It is intimated that the railroad interests of the country are turning towards Bryan. Why not make it unanimous? The one obstacle in the way it to be found in the gold bug contingent, where hatred of genuine Democracy is deep-seated and envenomed.

What would this old tired world of ours do without the rest day of each week? Men and mules alike would soon fall by the wayside too worn and wearied "even to move again." Palsied be the hand that is lifted against the Christian Sabbath.

Mr. Bryan says he is not worrying about his nomination for president. But many thoughtful men in the party are.—News-Leader.

"Thoughtful men!" Thinking of leaving the party, and the sooner the better for the good of the party.

Say what you will about the continued rain fall you can't say that you have been annoyed by the dust during the summer now hurrying to a close, and by the way, the scientists say that dust-clouds are chariots of the microbes.

We don't believe that the large majority of people care much for dollars, and for the simple fact that the large majority of people throw them away just as fast as they get them.

What's become of the State's Experimental farm in Charlotte County and the imported manager who went there to teach Charlotte farmers how to grow tobacco?

It is passing strange that in this age of free schools any one should be content to reach the period of manhood or womanhood and not be able to read or write.

When winter roads and summer heat meet then comes the top of war.

Arcanum.

"The rain, it raineth every day," and everything is soaked; no especial damage has been done in this neighborhood to crops, as our porous pumice stone soil absorbs it like a sponge, but another large, bony, coarse crop of tobacco is in sight like last year.

The Baptists of Enon church held their annual protracted meeting last week and the lovers of much water had their heart's desire, for every day it sprinkled or poured, and some of them got immersed in fording Willis on their way home. The laundry women were put to their wits end to dry the week's washing too.

Mr. Thomas Garnett, our octogenarian neighbor is still waging a successful fight against death, and his devoted children, Tom W. and Mrs. Rosin, are endangering their own health by their incessant and unbroken watchfulness at his bedside.

Mr. Hebditch is slowly recovering from his sudden attack of illness at the White Hall picnic, and is now able to walk about his farm in the early morning and late evening but cannot stand the sun's rays.

Miss Lula Reynolds, who has been in business in Richmond for a year or so is at home on a visit.

Mr. and Mrs. James Morgan, of Lynchburg visited Mr. and Mrs. R. H. Payne last week. Mrs. Payne has recovered from a long spell of typhoid fever.

The Daughters of the Confederacy have been prevented from having their show to raise money for the monument by the continued wet weather, and the writer suggests that the managers postpone the date till the next full moon, and further that in their proposed play "The Old Maids Convention," they select as actors in this comedy, real, genuine old maids, and not a lot of frying size girls; there are a superabundance of qualified graduates of the former class in Francisco district, and it would be a slight to pass them by, and have them personated by a lot of frivolous young Misses who have no idea of becoming old maids.

Enonville.

On Aug. 8th at Wingina, Va. Mr. I. W. Gunter, of this place was married to Miss Ella McGuire, of Lynchburg, by Rev. J. J. Spencer. On Aug. 15th at Buckingham Mr. S. B. Gunter and Miss Vertie Wright both of Enonville, were married by Rev. J. J. Spencer. We wish both of these young couples a long, happy and prosperous life.

Notwithstanding the very inclement weather of the past week, the series of meetings at Enon were very successful. The pastor, Mr. Johnson, was assisted by the Rev. Mr. Ryland.

Miss Ada Price, of Richmond is at home for a month.

Miss Mildred Ragland, who has been spending some time with friends and relatives at Enonville, returned home on Saturday.

Messrs. Archer Rush and Elmus Dowdy, Schuyler, spent last week at their homes attending the meeting.

Miss Lottie Dowdy, of Ca Ira, Va., is visiting at her grandfather's Mr. Tom Dowdy.

Miss Lelia Gillispie has been appointed principal of the Enonville school and Miss Hannah Martin, of Charlottesville, assistant.

There is a fine crop of tobacco in this section.

I notice in th: Outlook that Mr. E. D. Gregory, of Dillwyn, will be a candidate for Congress.

From Wily.

Many will say, where is Wiley? I will answer them in my next letter and tell them something about Wily. For the present I will only say it is the only post-office in the United States where an R. F. D. "butted up against" and was knocked out by the patrons of a post-office. So it can be seen they are a progressing people. R. F. D was too slow for these people, so they "raised against it" and it had to go.

In farming these people take the lead also. I have travelled from the Ja nes to Farmville, 40 miles and we have not seen such corn as Prof. W. P. Ellis, of Wily has. It will average about 60 bushels per acre. His tobacco also is the best I have seen except Harry Moseley's, it is about as good. He too, is of Wily.

We are glad to see Mr. R. S. Ellis home again. He has been at the Tate Springs, Tenn. for some time, for his health. He has improved very much.

Bent Creek.

Rain, rain, mud, mud, plenty of it. Farmers in a rush, tobacco running away with suckers and tobacco worms busy night and day; will somebody tell us when the farmer or housekeeper enjoy leisure?

Crops through this section are exceptionally good, owing to the seasonable year. There has been no high water to damage crops as yet.

There was a large crowd at Maple Grove the 2nd Sunday. Rev J. J. Spencer failed to meet his appointment, owing to the illness of his wife, but G. R. Pankey, a Richmond college student from near Pamplin City, supplied the pulpit and preached an earnest sermon from Ephesians, fourth chapter and two words of the 19th verse—past feeling. He did well and many predict for him a useful life.

And now Mr. Type-setter I have a little crow to pull with you. My last letter to your paper was so tangled that some of my friends thought I had taken my coffee too strong, but it was'nt me, it was you if anybody. Now if you can't read my writing you just tell me so and don't fix it so folks will laugh at me.

Mrs. Charlie Goodwin and children, of Richmond, are visiting Mr. J. H. Goodwin at this time.

Mr. C. W. Phelps returned from a visit to Bluefield, W. Va. last Saturday. His daughter and husband, Mr. Alvin Hunter, came back with him.

The Misses Cunningham, of Buckingham, are visiting the Misses Wells this week.

Mr. and Mrs. R. M. Brown, Masters Willie and Charley and Miss Lizzie Brown are the guests of Mrs. Mary A. Dixon at this writing.

Mr. and Mrs. C. M. Dixon, of Irondale, Ala. and Mr. and Mrs W. A. Dixon, of Pamplin City, are expected to visit their old home this month.

From Concord.

Pittsylvania's noted violinist, Mr Ben Duval, entertained a select crowd Saturday evening at "Edgewood," the home of Mrs. E. H. Abbott.

Mrs. Courtney Thomas and children are guests of Mr. D. H. Cross.

Miss Lily Thomas, who has been visiting relatives in Rosnoke, has returned home.

Misses Mary and Geraldine Graham, of Crewe, are visiting Miss Nellie Abbott.

Mr. Thompson Cross suffered a serious loss in the death of his horse.

Miss Johnny Martin, a nurse of the Hyzer Hospital, is home on a month's vacation.

Mr. Currie Ballou and wife of Durham, N. C. are guests of Mrs. Ould.

The heavy rains are detrimental to outdoor sports, yet the tennis court is not entirely deserted.

Evergreen.

Mr. and Mrs. B. F. Gunter and daughter, Miss Nellie Thornton left last week to visit relatives in Graham and Bramwell.

Mr. and Mrs. Elbert Woolridge and children, who have been visiting their parents near this place returned to their home in Lynchburg yesterday.

Don't forget the lawn party at the Presbyterian church next Saturday evening. Come every body and help a good cause.

Mr. Ed. Moses, of Chap, left last week to visit his brother in Crewe.

Mr. Albin Staples and family of Lynchburg are visiting relatives near this place.

Miss Bell Ferguson, who has been ill, is greatly improved.

Cured Hay Fever and Summer Cold.

A. J. Nusbaum, Bateaville, Indiana, writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever, and a doctor's prescription did not reach my case. I took several medicines which seemed only to aggravate my case. Fortunately I insisted upon having Foley's Honey and Tar and it quickly cured me. My wife has since used Foley's Honey and Tar with the same success."

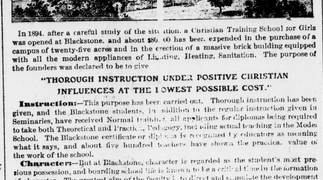
THE BLACKSTONE SCHOOL FOR GIRLS



In 1894, after a careful study of the situation, a Christian Training School for Girls was opened at Blackstone, and about $5. 00 has been expended in the purchase of a campus of twenty-five acres and in the erection of a massive brick building equipped with all the modern appliances of Lighting, Heating, Sanitation. The purpose of the founders was declared to be to give

"THOROUGH INSTRUCTION UNDER POSITIVE CHRISTIAN INFLUENCES AT THE LOWEST POSSIBLE COST."

Instruction—This purpose has been carried out. Thorough instruction has been given, and the Blackstone students, in addition to the regular instruction given in Seminaries, have received Normal training; all applicants for diplomas being required to take both Theoretical and Practical Pedagogy, including actual teaching in the Model School. The Blackstone certificate or diploma is recognized by educators as meaning what it says, and about five hundred teachers have shown the practical value of the work of the school.

Character—But at Blackstone character is regarded as the student's most precious possession, and boarding school life is planned to direct and stimulate the development of character. The greatest aim of the faculty is to direct and stimulate the development of the character of the students committed to their care. Direct contact of the student with the teacher is one of the greatest helps of the school life, and makes the family at Blackston a live in the building with the teachers and mothers not only in the class-room, but in every relation of school life. The atmosphere of the school is wholesome, inspiring, and uplifting in an indirect but positively Christian.

Cost—The cost of tuition board and other fees in the State of equal grade. One hundred and fifty students are now paying for Board, Laundry, Medical Attention and Tuition in all Departments, except Music and Elocution, which subjects are taught at correspondingly low rates. It has been the aim from the beginning to put within a student body sufficiently large to give to parents the benefit of low rates for thorough instruction, but not too large for the Principal and his helpers to know each student and to give her individual care. This result has been attained. If you want your daughter to have thorough instruction under positive Christian influences at the lowest possible cost, write for catalogue to

Two Reasons Why We Grow

Progress is noted in two ways, viz:

1st—The incentive to make provisions for future demands.

2d—The care to make the best possible results of the present.

And so it is today, by such methods,

LYNCHBURG'S GREATER STORE

Stands out as substantial evidence of these two potent factors in commercial upbuilding.

We are never satisfied, no matter how good the service, no matter how splendid the results of our efforts, no matter how superb are the assortments of merchandise offered in our various departments.
